# About Elfin

Elfin Kitchens is the home of pre-built compact kitchens. Historically we worked with landlords, student accommodation and construction markets, but we have seen huge demand for our kitchens in the glamping sector and now extended to outdoor kitchens.

All Elfin Kitchens are manufactured by German partners Stengel GmbH, utilising a 70,000m<sup>2</sup> state-of-the-art facility. With over 40 years' experience in sheet metal production, Stengel now has over 500 employees and boasts its own fleet of transport trucks.

Today, the company is recognised worldwide for manufacturing products to the highest standards, ensuring longevity and superb product durability.

When these attributes are combined with Elfin Kitchens' keen pricing, exceptional service and fast delivery, the applications for this unique range of products is unrivalled in the UK.

The range of compact kitchens are manufactured to fulfil all aspects of modern living – regardless of the space available and the unit's size. As a result, there are no compromises in the construction process.

## Features

- Powder coated steel design for superb robustness
- Pre-built design for low installation costs
- Timeless style and design
- Resistance to water ingress for long term durability
- Replaceable components for easy maintenance
- High quality branded appliances for reliable performance
- Made in Germany

## ELFIN COMPACT KITCHEN RANGE

As well as our outdoor kitchens, we also provide a wide range of kitchens for when smaller is better.

## Meet the team

Formed in 2006 by Bob and wife Ellie, Elfin Kitchens is a family run business that has established itself as the home of pre-built compact kitchens.

As a family-run business, we are passionate about our product, but take just as much pride in our service – we work with every customer to help choose a kitchen that's right for their project, and the same team will also be available through delivery, installation and aftersales for any help and advice.

All Elfin kitchens are delivered pre-assembled and ready to plug in for quick and simple installation. We're always available for any questions or advice.

Give us a call today to find out what's possible, we would love to hear from you.
